2SHER is a DJ and producer from south-west Poland, with years on the London scene too. He started on piano at music school at the age of six, then moved on to DJing and producing in his own studio.

His breakthrough was “Goliath” with Assaf, released on Armind, Armin van Buuren's label. His catalogue also includes the album “RE:2SH” (2023) and the singles “Magic”, “This Is My Life” and “Don’t You Want Me”.

He runs the independent label Phatbull Records and is an ambassador of the djay app by Algoriddim. Since 2026 he has run Subroom Records together with MAJLOS: as 2SHER X MAJLOS they release a new track every month, and “Comme Ci Comme Ça” reached #1 on the Radio Piekary TOP 20 (14.10.2026).

Live he plays house, groove and tech house where club classics get a new life. He shapes the set to the room: an opening hour sounds different from Saturday at 1 a.m.
