MAJLOS (Mario Jendryka) is a DJ and producer from Silesia, on stage since 2013. He started out on internet radio, and in 2015 became a resident at a club in Rybnik, where he spent seven years learning to read a dance floor.

He mostly plays tech house and bass house, but live he mixes genres freely and shapes the selection to the event and the crowd.

In 2018 he released three singles on the Peruvian label Digital Empire Records, including “This”, which reached the Beatport TOP 25, and the bass house single “Wake Up”. His debut album “On The Way” (12 tracks) came out in 2023. Beatport featured “Moonlight” with Pattie Love (Tiger Records) among the best releases of September 2025, and it reached no. 81 in the Bass House TOP 100. He also remixed a bonus track for the album “Psychicznie nie do końca normalni” by Popek, Omen and Motion.

His tracks have been played by Fedde Le Grand, Alok and Dannic and have made official Spotify playlists, and his videos air on 4FUN TV among others.

Since 2026 he has run Subroom Records with 2SHER. As 2SHER X MAJLOS they release a new track every month: “Ass Up” topped New Music Friday 31/2025 as voted by DJs, and “Comme Ci Comme Ça” reached #1 on the Radio Piekary TOP 20 (14.10.2026).
